

# HARVEST UPDATE

## Grain receivals (tonnes) at GrainCorp's sites as at 5 December 2016

	Since last report	Total
Queensland	112,600	1,732,000
New South Wales	1,728,300	4,550,600
Victoria	607,800	877,400
<b>TOTAL NETWORK</b>	<b>2,448,700</b>	<b>7,160,000</b>

- Busiest week so far this harvest with nearly 2.5m tonnes delivered across the network
- Given the delayed start to the harvest, we are seeing large daily average deliveries. Teams are working hard to provide efficient delivery and a high level of service. The network continues to perform well
- Heatwave conditions causing delays across northern NSW as many growers shut down in the middle of the day for safety reasons
- Harvest activity in Queensland is winding down
- Victoria harvest starting with sporadic storms causing delays in some areas
- Simultaneous outloads providing flexibility across key primary sites
