100 YEARS OF GROWTH

HARVEST UPDATE

Grain receivals (tonnes) at GrainCorp sites as at 13 November 2017

	Since last update	Total*
Queensland	16,000	524,000
New South Wales	176,000	375,000
Victoria	103,000	113,000
Total Network	295,000	1,012,000

Harvest comments:

- Total deliveries have now exceeded 1 million tonnes across the GrainCorp network
- Winter harvest in Queensland continues to wind down
- Sporadic storm activity in New South Wales delaying activity
- Harvest in northern New South Wales continues, while southern New South Wales ramps up
- Chickpeas slow to ripen across northern New South Wales
- Equipment and resources being mobilised south to support harvest activity across southern New South Wales and Victoria
- Victoria has started strongly with over 100,000 tonnes received over the last week
- As harvest progresses, some sites will be operating by arrangement only. Up-to-date site information is being regularly communicated via SMS. For more information, growers are encouraged to contact their local GrainCorp site manager.

***Please note:** total represents new crop tonnes received at GrainCorp sites including some deliveries received prior to 30 September 2017
